

ToscanaSpazio Association

SABER Kick-off meeting

Bruxelles, 9 November 2012

Profile of ToscanaSpazio

The not-for-profit association ToscanaSpazio (www.toscanaspazio.it) was established in December 2011 with the mission to **create a wide network** of companies and research institutions throughout Tuscany able to **guide, promote and increase** the value of **cultural, training and research activities**, share and develop the **knowledge of its members**, thus **keeping** the valuable technical, scientific and business **know-how** in the Aerospace sector **within Tuscany**, promote the **development and growth of excellence** within the sectors in Tuscany, enhance the complementary nature of groups and **create synergies**, encourage **participation** of members and affiliates **in public and private funding instruments**

In November 2012 ToscanaSpazio has **25 Full Members** (15 SMEs, 6 Research organizations and 4 Large Industries), one **Affiliate** (Astrium Italy). Full members produce in Tuscany a **total revenue of 205ME** and employ more than **1.400 highly qualified staff** in Tuscany and nearly 350M with 2500+ employees in Italy.

ToscanaSpazio also comprises the **3 Universities in Tuscany** (Firenze, Pisa, Siena), the **National University Consortium for Telecommunications (CNIT)**, the **Institute of Science and Technology for Information**, the largest institute of the Italian National Council of Research (CNR-ISTI)

Envisaged contribution to SABER

Act as the focal point of SABER in Tuscany

Develop and maintain relationship with Tuscany Region Government, local communities and local service providers

Gather best practice of Tuscany Region in the deployment and management of satellite broadband networks

Define requirements and specification for new applications that can exploit the benefits of satellite broadband networks

Create the conditions for the deployment of new services based on satellite broadband in Tuscany that can make use of the local competences
